

Minor in a language and set yourself apart from the herd

Number of foreign language speakers in California

- Boost your résumé with a language minor and enhance your job opportunities in the global economy.
- Improve your marketable skills in solving problems and communication.
- Build empathy, cultural awareness, and world perspectives.
- Be able to travel confidently, meet new and interesting people.
- Many language classes meet G.E. C and Z requirements.

**A language minor only takes 4 upper-level classes!**
